

Assignment: **due November 29**

050.305 and 351.385 Images of War: Vietnam and Iraq

On the internet you will compare treatment of an Abu Ghraib story on Aljazeera, BBC, and a major American tv news organization of your choice (CNN, FOX, ABC, etc..)

Then write up a one-two page analysis of the three treatments of the same story.

1. Describe the story on each internet site and the differences you found between the three sources.
2. This will be followed by your own assessment of the three: what obvious biases, if any, do you find? Is one source more detailed than the others?
3. If you had to choose one of the three, which would it be and why?

****To compare the same story in all 3 sources, check both content and date.**
